Make a weekend of it?

If you'd like to explore the north, we can help. Lancashire is famed for its lovely walks and countryside as well as its mill towns and the industrial age. We are lucky to be extremely close to the natural wonders of Pendle hill, the forest of Bowland and Malham Cove. Our most famous town is obviously Blackpool, famed for its tower and its sweet rock. But we also have some extremely beautiful villages, such as Downham, Whalley, Wiswell and Lytham to name a few.

We are also just a hop, skip and a jump away from the delights of the Lake District with the wonders of Windermere and Keswick just over an hour away. Some wonderful places to visit there are Levens Hall, Cartmel and Kirkby Lonsdale. Across the border is the White Rose County of Yorkshire, which we of course hold dear to our heart. The Yorkshire Dales are easily accessible from Coach House, there lies the delights of Bolton Abbey and the fantastic scenery of the 'tour de Yorkshire'. Of course if you need the city lights, Manchester, Liverpool and Leeds are all equidistant and within an hour's drive.

Some wonderful hotels below all about an hour's drive from Coach House...
